

“Christians” and Sorcery

By Bishop Mark S. Grenon

Why am I writing this article?

For four years and one day, I was held as a “political prisoner” alongside my son Joseph. Even now, my other two sons, Jonathan and Jordan, remain in captivity and may be detained for another seven years unless the Lord intervenes. Since 2006, we have boldly exposed the issues I am about to discuss in this article to audiences around the globe. I urge those who are true believers to recognize the influence that satanic forces, hidden beneath the label of “Healthcare,” are having on their lives. Please take seriously the information in the following pages—your life and the lives of those you care about could depend on it. My purpose in writing this article is to provide you with the insight needed to change course and help save others before it is too late, especially from the dangers posed by trusting corporate health systems and the government agencies allied with them.

As someone that has been dealing with people around the world for 46 years spiritually and physically, I believe I’ve seen and experienced what I am about to write about, and it needs to be exposed completely as well as those who are the ones behind this great satanic deception! Let me ask the following question.

As believers, have many shifted their trust when it comes to their health to sorcery and not God?

“And it was given unto him **to make war with the saints**, and to overcome them: and power was given him over all kindreds, and tongues, and nations. **And all that dwell upon the earth shall worship him**, whose names are not written in

the book of life of the Lamb slain from the foundation of the world. “Revelation 13:7&8”

While it's clear that Satan wages spiritual warfare against the saints, in what ways does he attack believers physically? Beyond the obvious loss of life in wars, could one of his primary strategies over the past century or more have been undermining the health of true believers? Has making Christians physically unwell become a significant method for hindering their service to God in these last days? Could this tactic of causing poor health and shortening the lifespans of God's people be one of Satan's main ways of limiting their effectiveness for the Lord?

Is “sorcery” one of Satan’s methods for waging war against God’s people in the last days?

Consider these two verses from Revelation:

“Nor did they repent of their murders, **their sorceries**, their sexual immorality, or their thefts.” — Revelation 9:21

“And the light of a lamp shall shine in you no more, and the voice of bridegroom and bride shall be heard in you no more; for your merchants were the great ones of the earth, and **all nations were deceived by your sorceries.**” — Revelation 18:23

These passages are critically important for believers today, highlighting the significance of sorcery as a tool of deception used by Satan in the last days. The deception described here is so profound that it not only misleads many Christians but also potentially shortens their lives, lives that could otherwise be devoted to serving the Lord. Revelation reveals that “sorceries” will be central in how the “nations” are controlled and deceived.

All true believers who study Scripture understand that God consistently condemns witchcraft and sorcery, warning that those who engage in such practices face judgment. Consider this verse:

“For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry. Because you have rejected the word of the LORD, He has also rejected you from being king.” — 1 Samuel 15:23

Idolatry, witchcraft, and sorcery are strongly condemned by the Lord, primarily because these practices allow satanic forces to influence and control the mind. When a person’s mind is manipulated through these means, their actions inevitably follow, leading to devastating consequences for those who ignore God’s warnings.

In light of 1 Samuel 15:23, rebellion against God is likened to the sin of witchcraft, suggesting that idolatry and sorcery are also forms of rebellion. In Scripture, “sorcery” and “witchcraft” are often used interchangeably. According to Noah Webster’s 1828 dictionary, **sorcery** is defined as magic, enchantment, witchcraft, and divination through the assistance of evil spirits or commanding them.

The danger of **sorcery and witchcraft** lies in their ability to invite **satanic influence into the minds** of those who practice and obey their teachings. Reflecting on personal experience from the 1970s, when the drug culture was widespread, many—including myself—experimented with hallucinogens, synthetically created drugs, like LSD and mescaline. **These substances opened the mind to spiritual realities** that were not perceived when sober or under their influence, illustrating how certain practices can alter and expose the mind to spiritual influences.

Today we have “Christians” trusting pharmaceutical drugs because they are “**approved**” by **for-profit** government agencies that receive a large percentage of their profits from the makers of these poisonous drugs. **Artificially and synthetically** made drugs effect the mind, body and spirit period.

The Lord wants our minds uncorrupted!

“In whom **the god of this world** hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.”, 2Corinthians 4:4

“But I fear, lest by any means, as **the serpent beguiled Eve through his subtilty**, so your minds should be corrupted from the simplicity that is in Christ.”,
2Co_11:3

And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus., “Philippians 4:7

The Big change of the meaning of “sorcery” in the Scriptures!

At this point, we see a significant shift in the last days, especially with the rise of modern technology—a development that God, in His sovereignty, knew would exist in these last days. When examining the term “**sorceries**” in Revelation, we discover an additional layer of meaning. The Greek word used, Φαρμακεύς (pharmakeus), pronounced “far-mak-yoos,” is derived from φάρμακον (pharmakon), which means a drug or spell-giving potion. Pharmakeus refers to a **druggist (or pharmacist), a poisoner**, or even a magician—interpreted as a sorcerer. Is it just a coincidence that, in these last days, God’s Word warns us about **pharmaceuticals having a poisonous effect on the world?**

Vital Information!

To highlight the immense power and reach of the pharmaceutical and medical industries, I have provided an in-depth overview of the evolution of Western medicine and pharmaceuticals with all the key players, spanning from 1754 to the present day. Chapter 2 of my book, “Imagine A World Without DIS-EASE,” Volume 1, is dedicated to “The Vaccine and Medical Toxic Timeline.” This chapter was included for important reasons. Please pay close attention to the industry’s global impact, as the evidence shows how the pharmaceutical field has played a significant role in widespread harm, supporting what the Scriptures and history confirms is a deeply destructive satanic plan!

Consider this carefully: If true believers are led by the Holy Spirit into **all truth**,

“Howbeit when he, the Spirit of truth, is come, **he will guide you into all truth:** for he shall not speak of himself; but whatsoever he shall hear, *that* shall he speak: and **he will shew you things to come.**” John 16:13,

then God’s guidance should cover every aspect of our lives, including our health, right?

In 1 Corinthians 3:16–17, Scripture declares, “Do you not know that you are God’s temple and that God’s Spirit dwells in you? If anyone destroys God’s temple, God will destroy him. For God’s temple is holy, and you are that temple.”

With this in mind, how can someone claim, “I prayed, and the Lord led me to have doctors poison me and destroy the immune system that God gave to protect this “temple, our body”?

**“He that knoweth to do good and doeth it not, to him it is sin”, James
4:17**

In this age of expertise and technology, has our reflex moved away from seeking God’s wisdom and healing first? Do we turn instinctively to prescriptions, remedies, and procedures before we bring our needs to God in prayer and invite His Spirit into our suffering? Have we subtly allowed the medical and pharmaceutical industries to become the primary foundation of our trust?

“I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, *which is* your reasonable service. And be not conformed to this world: but be ye transformed by the **renewing of your mind**, that ye may prove what *is* that good, and acceptable, and perfect, will of God.” Romans 12:1-2

The Dangers of Pharmaceutical Drugs

Understanding Risks and Safeguarding Health

Pharmaceutical drugs serve as the primary, widely accepted approach in modern medicine. Rather than offering cures, these medications typically provide treatments that address symptoms without resolving the underlying condition. It is important to recognize that these substances come with significant risks and potential dangers, which deserve careful attention. Information about these risks, which pharmaceutical companies are required by law to disclose, is often not fully communicated by healthcare providers.

Look at this “package insert” from Merck about the MMR vaccine and its side effects and adverse reactions on page 60 of my first book, *“Imagine, A World Without DIS-EASE”* published in 2015:

Original MMR Package Insert Has Autism as Adverse Effect

Presently, there is no longer a listing about “autism,” why?

The drug company that makes the M.M.R. vaccine (Merck) publishes an extensive list of **warnings, contraindications, and adverse reactions** associated with this triple shot. It may be found in the vaccine package insert given to doctors administering MMR, and inside the Physician's Desk Reference (PDR) (8, 9). However, this information is never given to patients or parents. The original package insert is quoted verbatim below in 2015.

This was **the original MMR package insert, (which was available in 2015)** which contained adverse events reported after vaccination have affected every system of the body, including the blood, lymphatic, digestive, cardiovascular, immune, nervous, respiratory, and sensory systems. The following afflictions have been reported following receipt of the MMR shot:

encephalitis, encephalopathy, **neurological disorders**, seizure disorders, convulsions, learning disabilities, sub-acute sclerosing panencephalitis (SSPE) **demyelination of the nerve sheaths, Guillain-Barre syndrome (paralysis)**, muscle incoordination, **deafness**, panniculitis, vasculitis, optic neuritis (including partial or total blindness) retinitis, otitis media, bronchial spasms, fever, headache, joint pain, arthritis (acute and chronic) transverse myelitis, thrombocytopenia (blood clotting disorders and spontaneous bleeding) anaphylaxis (severe allergic reactions) lymphadenopathy, leukocytosis, pneumonitis, Stevens-Johnson syndrome, erythema multiform, urticaria, pancreatitis, parotitis, inflammatory bowel disease, **Crohn's disease**, ulcerative colitis, meningitis, **diabetes, autism, immune system disorders, and death**. (emphasis mine.)

And they have been giving it to babies 2months old for many years! Parents, especially Real Christian parents DON'T let this happen any longer!!!!

Closing thoughts

Honestly, I am very saddened and deeply grieved by the things I have seen when it comes to people that say they are guided by the Lord and let this satanic pharmaceutical and medical industry destroy their health and that of their family!

I know the majority of believers have done this in ignorance by trusting the mainstream media and thinking that there is no way those that are protecting us to let it happen. This is because the “programming” of the world by education and media is being trusted more than listening to the Spirit of God and what our bodies are telling us to do. Many Pastors have medical people in their Churches and to speak about Big Pharma and the medical industry in a negative way would “cost” the Church. I have run into it myself.

When I found the cure for MRSA that my eight children and I contracted in 2005, the very “Christian” doctors that were volunteering their vacations to come and do free operations in the Dominican Republic fled. They told me there was NO cure and chlorine dioxide was not approved and warned about by the FDA. I showed them I no longer had MRSA which they saw but would NOT go against their livelihood!

During the “Plandemic,” how many “Christians” listened to the doctors and govt. and NOT the Spirit of God by taking untested poisonous injections and even closing Churches! How many children have been permanently damaged by vaccines and medications that could have been healthy, and their lives used to serve the Lord? How many REAL believers I have come in contact with are dead that had great abilities to serve God? How many more is satan destroying daily by poisoning them?

Satan and his cohorts have deceived many in the past 100+ yrs and it is only getting worse unless we stop listening to these corporate liars and stand for truth even if you are accused unjustly and go to jail! Only by listening to the word of God and the Spirit of God can we be guided by His Truth! Maybe the problem is what Jesus said in Matthew 7:21-23,

“Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven. Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? And then will I profess unto them, **I never knew you: depart from me, ye that work iniquity.**”, Matthew 7:21-23

Howbeit then, **when ye knew not God**, ye did service unto them which by nature are no gods.

Gal 4:9 But now, after that **ye have known God, or rather are known of God**, how turn ye again to the weak and beggarly elements, whereunto ye desire again to be in bondage?

You can be delivered from **the weak and beggarly elements** of this world only by His power!

Does Jesus know you?

Note: We've have been helping people restore their health since 2006 and my sons and I have trained people in over 140 countries in the protocols of the Genesis II Church of Health and Healing using Chlorine Dioxide which detoxes the body of all pathogens including heavy metals, vaccine toxins, spike proteins, Glyphosate, cancer cells, fungi, bad bacteria, parasites, as well as recovering people from vaccine injuries and even "long COVID" It is amazing what we have seen and what God has given us to counteract what satan has done to make us all living in a "DIS-EASED" state!
